The [Campaign for Students Loyalty Circle](#) honours and celebrates employee donors whose consecutive years of giving demonstrate a commitment to helping our students complete the Seneca education that can change their lives.

Congratulations to [Derek Gruchy](#) Program Coordinator, Fire Protection Engineering Technology, celebrating 14 years as a loyal employee donor!

This is what Derek had to say about why he continues to donate:

"I give because I think it is important to recognize the effort it takes to be successful in your studies. Students who are the recipients typically have shown perseverance in the face of adversity, sacrificed leisure time to commit to their future, or have gone above and beyond what is expected. All of these characteristics should make them excellent employees and ambassadors for what a Seneca graduate represents."

Thank you, Derek for your continued support!
