Policy Statement

Community is at the heart of Seneca's values. It expresses the connections we have with each other, support we give each other and the respect we show each other. Seneca is committed to principles of respect, inclusion and equality of all persons with disabilities.

Seneca's Student Code of Conduct Policy (code) is designed to promote behaviour that reflects Seneca's values – behaviour that also reflects the honesty, trust and fairness expected in the actions of all members of the Seneca community.

In addition to Seneca's Student Code of Conduct Policy, students also have rights and responsibilities under the laws of local, provincial and federal governments, other Seneca policies and guidelines or regulations that may be administered by an academic school or area within Seneca.
