The School of Electronics and Mechanical Engineering Technology (SEMET) is pleased to announce the results of the Skills Ontario Competition 2021 for Seneca competitors. In the Technology category, for Electronics, Brian Lew won the Silver medal. In the Industrial category, for Precision Machining, Tyler Schuette won the Gold medal. Tyler also won the Award of Excellence for Top-Ranking Competitor Representing a College. Tyler and Brian will be competing at the national Skills Canada Competition at the end of May 2021. Thanks to Professors Karen Craigs, Ankur Patel and Fabio Costa for coaching and training the students.”
