CTYC student, Mohamed Ashfaq has won the Exceptional Student Award while on his second work term with CIBC (role as a Service Desk Analyst). This award recognizes a student's positive attitude, team spirit, and all the incredible ways they demonstrate CIBC's values of Trust, Teamwork, and Accountability! These qualities are what they look for in our CIBC team members, so they are excited to work with the student to help launch their career with CIBC! This is not an easy award to win. Mohamed has been invited to 3 exclusive opportunities network with Senior Leaders, and the CIBC Talent Acquisition team. We are looking at showcasing his success on the Student Intranet.
