Welcome to the Faculty of Arts Space

In the Faculty of Arts, we will work better together. We let our unending curiosity, out-of-the-box thinking and creativity drive us. We are dedicated to helping students shape their own innovative paths to success, equipping them with the skills, experience and knowledge.

We acknowledge that we are on the traditional territory of the Mississaugas of the Credit First Nation. We are guided by our common goal of reconciliation in our work creating belonging for our students, staff and faculty.

This space is for all of us, whether you are a new member of the team, a member of the Faculty fo Arts in any role, or a member of the Seneca community and want to engage with our work and our students.

In this space, you will find orientation information, opportunities to engage with in the FOA and at Seneca, and also opportunities to connect.
