Choose Your Adventure!

Via the Pacer Health app, participants will have the options of choosing one of three Adventure Challenges based on distance (short, medium, long). Participants will have two weeks to complete their challenge. If a participant completes their challenge quickly and would like to try another, they can do so by email [Kim Beno](#).

Participants can join at any time as long as they can complete the challenge in time. Participants will track and record their progress via the Pacer Health App.

After completion, participants will receive an E-Certificate and Badge via the Pacer Health App.
