

Meet the Team Seneca GetUP Challengers

Published 11/3/2021 by [Caterina Ventrella](#)

Seneca's United Way campaign officially ended Friday November 5, but the 2021 Team Seneca participants are ready to accept the challenge to lift our communities from poverty to possibility until November 14.

This year, the team has a goal to raise \$5,000. Visit the [Team Seneca page](#) here to support a team member and see their progress.

Each team mate has committed to complete 280 minutes of activity from November 1 - 14. The total time of 280 minutes comes from the number of agencies United Way of Greater Toronto supports in our regions - 1 minute for each.

This year, The has challenged See who our reps are below and show them some encouragement!
