

Submission of videos

Published 11/11/2021 by **Carman Dang**

November 10, 2021

Amazing how we are now in November, it's been such a beautiful and mild fall so far. With that said, this is a reminder that our submission date for our song tracks and videos will be Sunday, November 28. If you need to submit late for whatever reason, please don't worry and email us a notice.

When preparing to record, we would recommend wearing a solid red or dark top with a red accent/accessory so that all of our videos have a pleasing visual theme when we're all put together. Please also check that your video background is Seneca appropriate; as it would be nice to get a sense of everyone's home space, we recommend that option over a Seneca background effect. The virtual concert will be launched on the first week of February as a kick-off for the Campaign for Student fundraising event. We will keep you posted on the actual date.

Recording instructions:

1. Since the file(s) size will be large, you can submit them using **Seneca File Transfer** with attention to Doug.Hammond@senecacollege.ca:

<https://employees.senecacollege.ca/spaces/77/it-services/wiki/view/3715/seneca-file-transfer>

2. Please record your video(s) with a cell phone horizontally like so:

Please record the video of yourself singing your part. You should be listening to the soundtrack of your part with an ear/headphone. The video should be featuring your image and voice only.

If you have any questions regarding any of the above, please do not hesitate to reach out at carman.dang@senecacollege.ca.

Thank you very much for your participation.
