

Seneca's United Way Campaign surpasses it's goal

Published 11/18/2021 by [Caterina Ventrella](#)

Between October 12 and November 5, 2021, Seneca came together to support our surrounding communities through giving and accepting the GetUP Challenge. Over the 4 week campaign and with Team Seneca's GetUP fundraising, Seneca raised over \$62,000 dollars and with an additional generous gift of \$5,000 from the Seneca Student Federation, our 2021 campaign total surpassed it's goal and reached over \$67,000 raised.

13 Seneca employees signed up with Team Seneca to complete 280 minutes of activity in two weeks. Within the team, the formed a crew and challenged to see who could raise more.

Between November 1 - 14, the Faculty of Continuing Education and Seneca Business were neck and neck. All together Team Seneca raised \$3,215. Of that, FCET raised \$845 and Seneca Business raised \$795. The overall top individual fundraiser was [Tracy Macmaster](#) who raised \$725!

Thank you to all who have donated and participated in this year's United Way Campaign. We are proud to help our surrounding communities move from poverty to possibility.
