

# Duo Security

Version 22

Published 1/26/2026 by [Anonymous](#) Last updated 2/4/2026 11:32 PM by [Nadine Chautilal](#)

## IMPORTANT

- Employees using **Duo Mobile version 4.85.0** will see an in-app warning recommending an update.
  - Some users may experience issues **as early as February 2, 2026**.
  - **As of March 31, 2026**, all unsupported versions will stop working entirely.
- **Effective April 16, 2026**
  - Duo Mobile will no longer support **iOS 16** and **Android 11**.
  - The new minimum supported versions are **iOS 17+** and **Android 12+**.
