As the snow melts into warm, sunny spring days, at Seneca, we have even more reason to celebrate.

Thanks to thousands of employee donations, our many fundraising events and the SSF's gift match, **the 2021-22 Campaign for Students raised an incredible \$298,837**- smashing our goal of \$182,000.

Congratulations to all those who donated, volunteered and participated. Take a look at this year's Campaign highlight video:

Seneca also extends its sincerest thanks to the Seneca Student Federation (SSF) for their tremendous generosity. This year, the SSF has donated close to \$1M to support student financial aid and special projects.

To all of our Campaign for Student donors, volunteers and participants, **THANK YOU!**
