---

The Student Code of Conduct is designed to promote behavior that reflects Seneca's values of honesty, trust, and fairness; these qualities must be reflected in the actions of all members of our community. The code outlines Seneca's standards of student behavior, as well as the procedures to be followed if the standards are violated. The Student Code of Conduct applies to all employees, students, clients, contractors, and the public as defined by the policy. The Student Conduct Office provides confidential advice, counsel, referral, consultation, mediation, investigation, and resolution assistance to all individuals or groups in conflict.

If you have an issue with a student, please speak to the Program Coordinator and Chair; you can also contact the Student Conduct Office by email at [student.conduct@senecapolytechnic.ca](mailto:student.conduct@senecapolytechnic.ca).
