Published 10/6/2022 by Anh Lam

Adding a banner to your course is a great way to add visual flare.

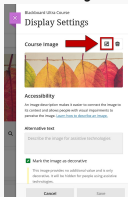

The screenshot shows the Blackboard Ultra Course interface for course BBUltra101. The top navigation bar includes links for Content, Calendar, Announcements, Discussions, Gradebook (2), Messages (5), Analytics, and Groups. A red box highlights the Course Image panel, which displays a banner image of autumn leaves. A red arrow points to this panel. The Course Content section on the left shows Course Information and Seneca Student Resources. The Course Faculty section on the right lists Professor X and Professor Y. The Details & Actions pane is visible on the far right.
