# Adding a Course Banner

Adding a banner to your course is a great way to add visual flare.

## Adding a Course Banner

1. Select **Edit display settings** from the **Details & Actions pane.** Course Image panel is displayed.

2. Select the **Image icon.**

   a. Choose **Upload from Device**. **Note:** Image must be at least 1200 x 240 pixels. Images with text don't scale well.

   b. Choose **Stock images from Unsplash**. **Note:** If you want to learn more about this option then check out Choosing a Course Image (Banner).

3. Complete one of the following actions:

   - If the image is decorative, select **Mark as decorative.** Content marked as decorative won't provide descriptions to screen readers.

- If the image is informative, input the description of the image into the **Alternative text** box.

4. Toggle the **Course Banner on/off** to display or hide the course image.

5. Select **Save.**
