

## Moving Items in the Content Area

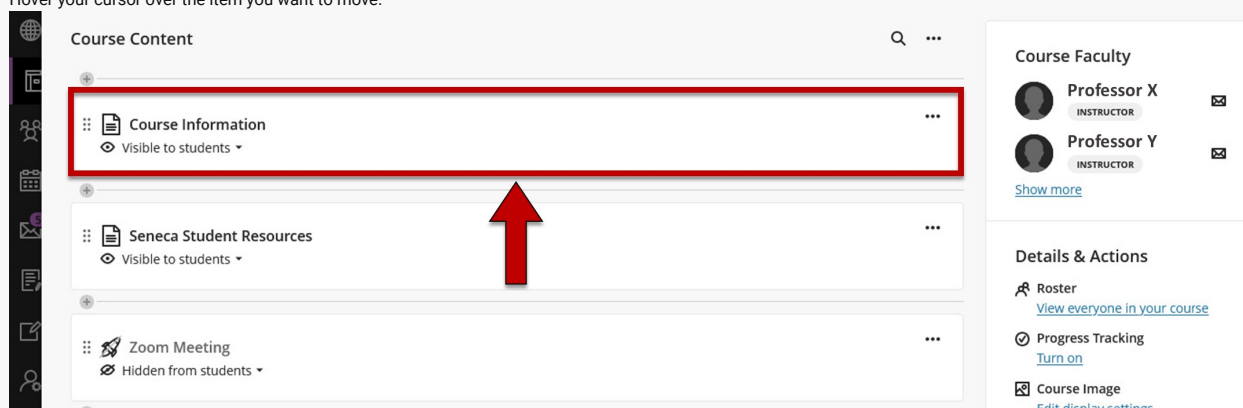

Published 10/27/2022 by Anh Lam

You can reorder the items on your Course Content page using two methods:

- Drag and drop
- Keyboard shortcuts

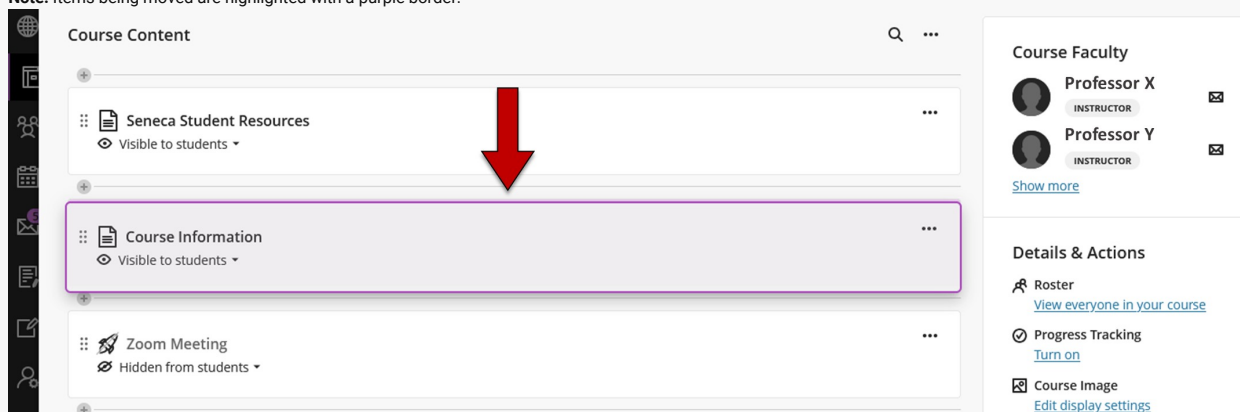

### Moving Items Using Drag and Drop

1. Hover your cursor over the item you want to move.

2. Select the item, and drag it up or down until it is in the desired location.

**Note:** Items being moved are highlighted with a purple border.

### How to Move Items Using Keyboard Shortcuts

1. Select the **Tab** key on your keyboard twice. A blue box around Content is displayed.

2. Select the **Tab** key to highlight the **Move icon** (six dots) until it has reached the item you want to move. **Note:** Select **Shift+Tab** key to move backwards through selectable

options.
