# Creating a Rubric

Published 11/2/2022 by Anh Lam

You can create a Rubric to help ensure consistent grading across your course Assessments.

Creating a Rubric

1. Select the Assessment you want to create a Rubric for.

2. Select the **gear icon.** The Assessment Settings panel is displayed.

3. Select **Add grading rubric**
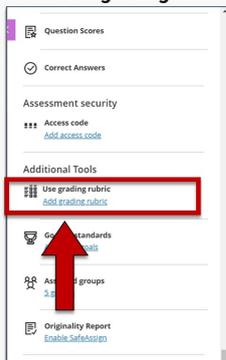

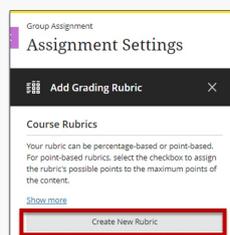

4. Select **Create New Rubric.** New Rubric panel is displayed.

5. Select the title to name the Rubric.

6. Select **Rubric Type** and choose one of the following options:

- **Percentage:** The criteria uses percentages. The total percentage must equal 100% and you may only use whole numbers.

- **Percentage Range**: The criteria uses a percentage range. The range must go from low to high.

- **Points:** The criteria uses points, and you may only use whole numbers.

- **Points Range**: The criteria uses a points range. The range must go from low to high.
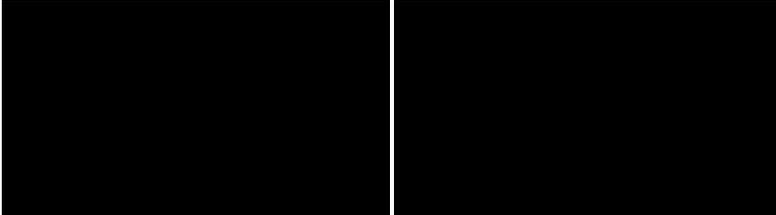

7. Select the **pencil icon** to edit each criterion.

8. Select **Save**.

For more information, please see articles on how to:

- Managing Rubrics for more details on editing, deleting, and copying rubrics.
- Attaching a Rubric to an Assessment for information about adding a rubric to an assessment.
