

Industry Expert in Classroom

Version 2

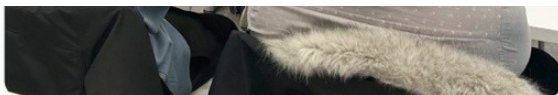

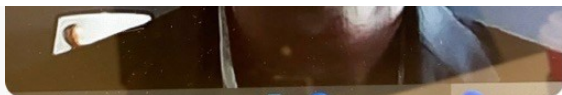

Published 12/1/2022 by [Lena Tang](#) Last updated 3/27/2023 8:57 PM by [Carolyn Ursabia](#)

SEMET motto is giving world class and real time education to the students. We always try hard to establish bridge between Industry and academic

As a part of mission Dr Rakesh Kantaria invited one of the successful alumni Malav Bhatt in his class. He is working as an Operation Manager of one of the leading PCB Assembly companies.

Malav beautifully talked about the modern applications of Electronics Design. He emphasised for leveraging school infrastructure for skill development for getting good employment.
