SoTL Proposal Workshop - March 3, 2025, 11:00 am to 12:00 noon

In this virtual workshop, we will review the "Design" and "Impact" proposal forms in detail, providing examples of responses for each section. We will discuss SoTL research methods and continue to develop your research ideas. We will be happy to answer any questions about SoTL proposals and the application process in general.

Please find the application forms on the SoTL at Seneca Program wiki. You may choose one form to submit on March 28, 2025.

In lieu of a recording of this workshop, we are happy to meet with anyone who has questions about their application. Please email us at sotl@senecapolytechnic.ca.

We are also encouraging people to bring their questions to our next SoTL Community of Practice (CoP) Meeting on March 18.
