

Downloading Grades from Gradebook

Published 1/10/2023 by Anh Lam

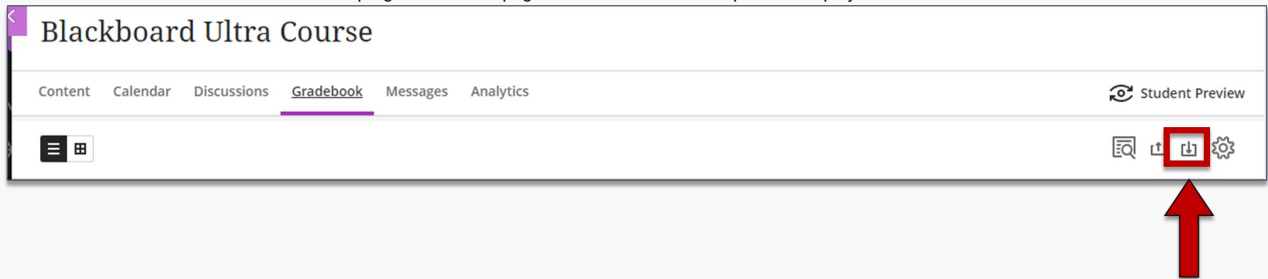

You can download the full Gradebook, or selected grades from your courses. Files can be downloaded in two formats: comma-delimited (CSV) or tab-delimited (XLS).

Downloading Grades from Gradebook

1. Select **Gradebook**.

2. Select the **Down Arrow icon** located at the top-right side of the page. The Download Grades panel is displayed.

3. Select **Full Gradebook**.

4. Select the items you want to download, or choose **Select All Items** to download all items from the list.

5. Select **Tab-separated File (.xls)** or **Comma Separated Values (.csv)** to choose the file type for download.

A dialog box with two sections. The top section, titled "File Type", has a red border and contains two radio buttons: "Tab-separated File (.xls)" (selected) and "Comma Separated Values (.csv)". The bottom section, titled "Save Location", contains two radio buttons: "My Device" (selected) and "Content Collection". At the bottom are "Cancel" and "Download" buttons.

6. Select **My Device** or **Content Collection** to choose the save location for the download.

A dialog box with two sections. The top section, titled "File Type", contains a note: "Depending on your computer, the file format opens with different spreadsheet software". Below this are two radio buttons: "Tab-separated File (.xls)" (selected) and "Comma Separated Values (.csv)". The bottom section, titled "Save Location", has a red border and contains two radio buttons: "My Device" (selected) and "Content Collection". At the bottom are "Cancel" and "Download" buttons.

7. Select **Download**. Grades are downloaded.
