Downloading Grades from Gradebook
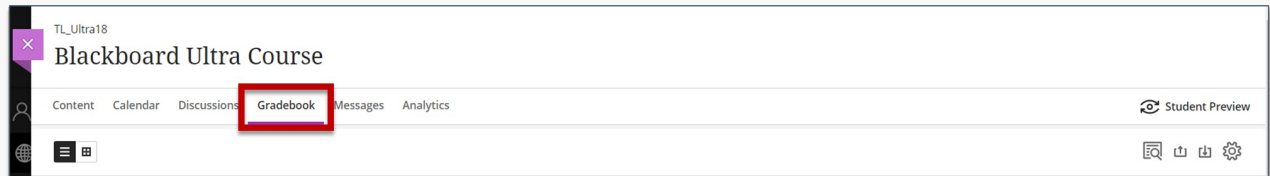

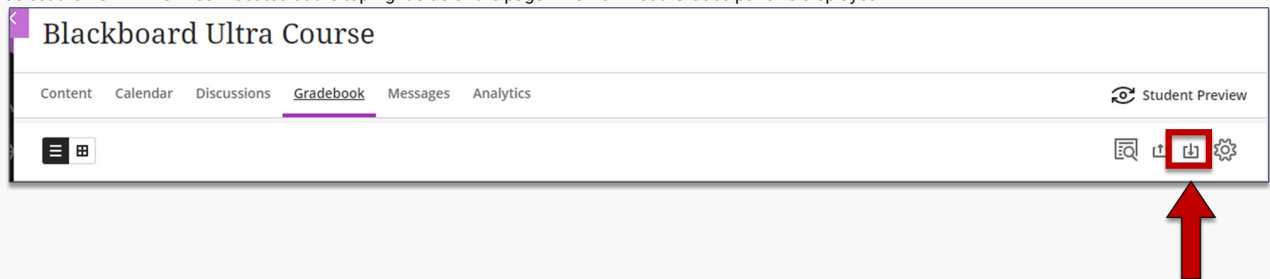

You can download the full Gradebook, or selected grades from your courses. Files can be downloaded in two formats: comma-delimited (CSV) or tab-delimited (XLS).

## Downloading Grades from Gradebook

1. Select **Gradebook**.

2. Select the **Down Arrow icon** located at the top-right side of the page. The Download Grades panel is displayed.

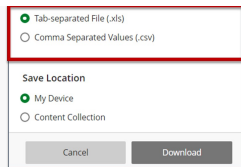

3. Select **Full Gradebook.**

4. Select the items you want to download, or choose **Select All Items** to download all items from the list.

5. Select **Tab-separated File (.vls)** or **Comma Separated Values (.csv)** to choose the file type for download.
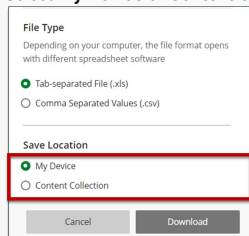

6. Select **My Device** or **Content Collection** to choose the save location for the download.

7. Select **Download**. Grades are downloaded.
