

# Import/Export Question Pools from Blackboard Original to Blackboard Ultra

Published 1/13/2023 by Anh Lam

You can export and import question pools from Blackboard Original into Blackboard Ultra.

## Exporting a Question Pool From Blackboard Original

1. Select **Course Tools** from the **Control Panel** side pane. The Course Tools drop-down menu is displayed.
2. Select **Tests, Surveys, and Pools**. The Tests, Surveys, and Pools page is displayed.

3. Select **Pools**.

4. Select the pool you would like to export, then select the drop-down arrow beside the pool name and choose **Export**. A zip file is automatically downloaded to your computer. **Note:** Do not unzip this file.

## Importing a Question Pool Into Blackboard Ultra

1. Select **Manage Banks** from the **Details & Actions** pane.
2. Select the **plus icon (+)**.

3. Select **Import from File**.

4. Locate the .zip file (unzipped) that you downloaded from the question pool in your Blackboard Original course.
5. Select **Open**. A success message is displayed when the upload is complete.

**Note:** Once your import is complete, do a thorough review of your question bank to ensure it is imported correctly. You may need to first add the questions to a test to be able to edit.
