

Team Up and Fundraise Today

Published 1/17/2023 by [Caterina Ventrella](#)

We Love Our Students Month is running from February 2 - 28. The month-long campaign at Seneca aims to raise \$253,000 for our students. Whether our employees choose to make a personal donation, send an e-card, become a Payroll Champion, support an event or fund their own named award, they are making a meaningful difference in the lives of our student.

There are many ways for employees to get involved and help our students this month:
