

Using the Roster

Published 1/13/2023 by Anh Lam

The Roster allows you to view all members in your course. You can access student information including student names and IDs, and you can set accommodations for students.

Using the Class Roster

1. Select **Roster** in the **Details & Actions** pane to access the class roster. A list of students is displayed.

The screenshot shows the Blackboard Ultra Course interface for 'BBUltra101 Blackboard Ultra Course'. The top navigation bar includes 'Content', 'Calendar', 'Announcements', 'Discussions', 'Gradebook' (with a '2' badge), 'Messages' (with a '5' badge), 'Analytics', and 'Groups'. The 'Course Content' pane on the left lists 'Course Information', 'Seneca Student Resources', and 'Zoom Meeting'. The 'Details & Actions' pane on the right is highlighted with a red box, and the 'Roster' option is selected, with a red arrow pointing to it. The 'Roster' option is labeled 'View everyone in your course'.

2. Select the student's name for an overview of the student. You'll find the student's name, username, student ID, last date they accessed your course, overall grade, and accommodations (if you've set them up).

The screenshot shows the 'Roster' page for 'BBUltra101 Blackboard Ultra Course'. The page displays a list of course members (9 total). The list includes instructors (Instructor X, Instructor Y, Instructor Z, Instructor W) and students (Student A, Student B, Student C, Student D, Student E). A red box highlights 'Student C' in the list, with a red arrow pointing to it.

Note: You are also able to **Set Accommodations** from the **Roster**. Refer to [Setting Up Accommodations](#) for more information.
