

Using the Class Roster

Published 1/13/2023 by **Anh Lam**

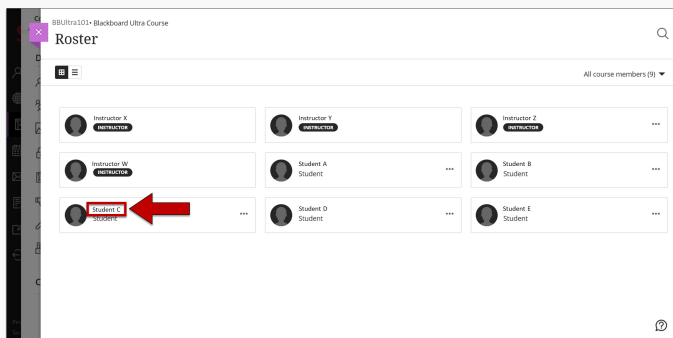

The Roster allows you to view all members in your course. You can access student information including student emails and names, and you can set accommodations for students.

Using the Class Roster

1. Select **Roster** in the **Details & Actions** pane to access the class roster. A list of students is displayed.

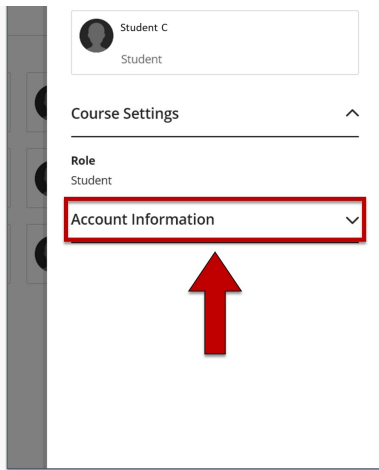

2. Select the student's name. The Member Information panel is displayed.

3. Select **Account Information** to see their email and other information associated with their profile.

Note: You are also able to **Set Accommodations** from the **Class Roster**. Refer to **Setting Up Accommodations** for more information.
