

Enabling SafeAssign for Assessments

Published 1/16/2023 by Anh Lam

SafeAssign is a teaching tool that can help your students produce original work. After an Assessment is processed by SafeAssign, an originality report is generated detailing how much of the content in the submitted Assessment matches existing sources.

Enabling SafeAssign in Assessments

1. Select the Assessment you want to enable SafeAssign. The Assessment page is displayed.
2. Select the **gear icon**. The Assessment Settings panel is displayed.
