

High Impact Practices

Version 86

Published 2/23/2023 by [Elaine Simionato Hayashi](#) Last updated 9/18/2023 2:03 PM by [Melanie Gao](#)

High Impact Practices include interventions we make to support student success. The FOA is guided by the AAC&U definition of a High Impact Practice (HIP) which creates "significant educational benefits for students who participate in them—including and especially those from demographic groups historically underserved by higher education. These practices take many different forms, depending on learner characteristics and on institutional priorities and contexts".
