

Setting Up the Overall Grade (Grand Total)

Published 4/26/2023 by Anonymous

The overall grade is similar to a Grand Total column (or a Weighted Total column) in Blackboard Original.

To set up a Weighted Total column, look at our [Setting Up an Overall Grade \(Weighted Total\)](#) article.

Setting Up an Overall Grade (Grand Total)

Set up an overall grade (grand total column) by completing the following tasks.

1. Select **Gradebook**.
2. Select the **gear icon**.

Category Calculation Rule

☒ Enable

Enabling a rule allows you to set conditions for all elements within the category to calculate the category's total score. You need to have more than one (1) score-based item within the category to set a rule correctly. Bear in mind that enabling rules can affect a student's final grade for that category.

☐ Drop Scores
Choose to drop scores from the total calculation

☐ Use Only
Choose to use only specific scores in the total calculation

3. Complete one of the following tasks:

- Select **drop scores** and enter the range in which a grade will be dropped from the Overall Grade.
- Select **use only** to use only the lowest or highest score in the Overall Grade.

4. Select **Continue**.

5. Select **Save** to keep the changes made to the Calculation Rule.
