

Siemens Digital Industries Realize LIVE 2023 Design Hack

Version 1

Published 6/21/2023 by [Lena Tang](#) Last updated 6/21/2023 6:46 PM by [Lena Tang](#)

Three students from the School of Electronics and Mechanical Engineering Technology represented Seneca and won second place at the first ever [Siemens Digital Industries Realize LIVE 2023 Design Hack](#) in Las Vegas. Under the guidance of Prof. Houman Hakima, our students: Thomas Munoz Alecina, Ricardo Ramirez Castro and Pari Qarehdaghi worked as a team to showcase their innovative and sustainable engineering design skills to optimize the design of a chassis for sustainability and manufacturability.
