The use of intl.senecacollege.ca requires third party cookies. Some settings on some browsers can block these cookies and may cause issues with the site. Please follow the instructions below to allow third party cookies.

1. Log into intl.senecacollege.ca using Firefox.
2. If you encounter issues once logged in click on the tracking protection settings in the address bar.

3. Turn off the “Enhance tracking protection” switch so it is off as shown below.

4. Reload the web page, third party cookies should now be allowed, and your login should be successful.
