The use of intl.senecacollege.ca requires third party cookies. Cross-site tracking in Safari may, in some cases, prevent websites and logins, from working correctly. Please follow the instructions below to allow third party cookies.

1. To disable this setting, begin by opening Safari. In the Menu bar, click **Safari** and then **Preferences...**

2. In the window that opens, click **Privacy** and uncheck the box next to **Prevent cross-site tracking**. Close this Window and reload the page or website that is not working correctly.
