We are excited to introduce a series of upcoming professional development opportunities offered through the Teaching & Learning Centre. These professional development opportunities are designed to empower educators with innovative techniques and strategies, helping you elevate your teaching and learning experiences. Whether you're looking to refine your assessment design, engage in thought-provoking discussions, ease into your new faculty role, or harness the potential of educational technology, these opportunities are tailored to your growth and success.

Teaching & Learning Summer Conference 2023

- Dates: Aug. 24-25, 2023
- Location: Newnham Campus
- View our calendar entry for the Teaching & Learning Summer Conference 2023

Mark your calendar for this engaging two-day in-person conference at our Newnham Campus. Immerse yourself in thought-provoking discussions about teaching, assessment, student engagement, and technology integration. This year's theme, "Assessment and Feedback," promises to inspire and invigorate your teaching approach. Be prepared for active participation, group sessions, and captivating talks by educators and our keynote speaker, Dr. Brian Beatty.

This is part of the PD Plan for Non Full-time Faculty.
