

International Day of Action for Academic Integrity 2023

Published 9/28/2023 by [Anh Lam](#)

Join us for the International Day of Action for Academic Integrity on **October 18th 2023!**

This year's theme is "**Championing academic integrity in the age of AI.**" This theme connects the need for staff and students to champion academic integrity in their institutions and beyond, and the current situation with AI (Artificial Intelligence) which is having a profound effect on Higher Education.

Details of [activities for students](#). There are prizes to be won!
