

International Day of Action for Academic Integrity 2023

Published 10/13/2023 by [Anh Lam](#)

Join us for the International Day of Action for Academic Integrity on **October 18th 2023!**

This year's theme is "**Championing academic integrity in the age of AI.**" This theme connects the need for staff and students to champion academic integrity in their institutions and beyond, and the current situation with AI (Artificial Intelligence) which is having a profound effect on Higher Education.

Lunch and Learn Session: Academic Integrity in Cyberspace

October 18 at 12-1pm Online

Ever find yourself in a pickle when you try to make academic integrity engaging for students? Don't give up! The Teaching & Learning lunch & learn workshop "To Cyberspace and Beyond: Learning about Academic Integrity through Games" will give you some berry fun ways to engage students on this topic. Many delicious prizes to be won!
