

Meet the 2023 CN Tower Climbers

Published 10/13/2023 by [Caterina Ventrella](#)

Team Seneca will climb the CN Tower in support of United Way Greater Toronto on Saturday, Oct. 21.

They will conquer all 1,776 steps to the top of the tower with a goal of raising more than \$3,000 for our neighbourhoods. With every dollar raised, they'll be supporting people living in our community who are struggling to meet basic needs like food, affordable housing and support for mental health challenges.

[Visit our team page and find a climber to support here.](#) Our employee climbers are:
