

New Exciting Opportunities for FOA Students in Arts and Science - University Transfer Program

Published 10/16/2023 by [Melanie Gao](#)

St. George's University has launched a new partnership with [Seneca Polytechnic](#) that will offer qualified Seneca students fast-track status and expedited entry into the five- or six-year M.D. programs at the St. George's School of Medicine.

The Arts and Science – University Transfer diploma program partnership with St George's University in Grenada is now being promoted! The recruiters from SGU met with some interested Seneca's Arts and Science – University Transfer and Pre-Health Sciences students at a flex format information session and we already have students asking great questions about the logistics of this fabulous opportunity.
