

# Email addresses

Version 36

Published 10/18/2023 by [Truc Chau](#) Last updated 12/20/2023 12:59 PM by [Truc Chau](#)

## What is being done

- Anyone with the email address [@senecacollege.ca](#) will be updated to the new [@senecapolytechnic.ca](#).
- During the transition, emails sent to your old email address will automatically redirect to your new one.
- All existing emails will continue to be accessible in your new inbox.

## When this will happen

Beginning at 1 p.m. on December 20, all Seneca email addresses will change to [@senecapolytechnic.ca](#).

## How this may impact you

As we transition to new email addresses, there are three key considerations:

- **Communication:** It's important to share your new email address with students, colleagues, and external contacts to maintain seamless communication.
- **Access:** Your new email address will be your key to accessing Seneca applications and systems.
- **Contingent Worker Accounts:** If you collaborate with someone who has a contingent worker account, please inform them of the changes taking place.

If you have any questions or concerns, please do not hesitate to reach out to us at [its.rebrand@senecapolytechnic.ca](mailto:its.rebrand@senecapolytechnic.ca)
