

# Single sign-on (SSO)

Version 22

Published 10/18/2023 by [Truc Chau](#) Last updated 12/20/2023 12:59 PM by [Truc Chau](#)

## What is being done

- We use our single sign-on (SSO) system across many applications for authentication.
- These will be updated to synchronize with the new user IDs with our new domain [senecapolytechnic.ca](https://senecapolytechnic.ca).

## When this change will happen

To minimize disruption, email address, laptop configuration, single sign-on and user ID changes are planned to take place after Fall 2023 Term ends, commencing December 20 at 1 p.m. Refer to the [schedule of changes](#) for more information.

## How this may impact you

- After the domain change, please re-authenticate by logging in with your new [senecapolytechnic.ca](https://senecapolytechnic.ca) user ID.
- Following your first login, all applications will sync and continue to be associated with your new profile.

If you have any questions or concerns, please do not hesitate to reach out to us at [its.rebrand@senecapolytechnic.ca](mailto:its.rebrand@senecapolytechnic.ca)
