

# Sustainability Teaching Resources

Published 12/8/2023 by [Anh Lam](#)

Below you'll find a number of curated resources that will help you on your sustainability integration journey.

## Sustainability in the Classroom

- [Teaching Sustainability Module](#)
- [Sustainability Classroom Strategy: Sustainability](#)
- [Sparkplug: Bringing Sustainability into the Classroom](#)
- [Cultivating Sustainability into our Classrooms: Teaching and Learning Day](#)
- [Strategies for Incorporating Sustainability: Carleton University Guide](#)

## Sustainability and Curriculum

- [Curriculum Integration Guide: Sustainability](#)

## Sustainable Development Goals (SDGs)

- [The Sustainable Development Goals \(SDGs\)](#)
- [SDGs and Learning Objectives](#)
- [The United Nations and the SDGs](#)
- [The SDG Toolkit for Canadian Colleges and Institutions](#)

## Sustainability in Media

### Youth Activists

- [Autumn Peltier](#)
  - [On National Child Day, meet clean water activist Autumn Peltier](#)

- [Greta Thunberg](#)
- [Vanessa Nakate](#)
- [Malala Yousafzai](#)
  - [Malala Yousafzai Joins Climate Protest](#)

## Podcasts

- [BBC's Climate Curious Podcast: What is an Intersectional Environmentalist?](#)  
Interview with Leah Thomas - Intersectional environmentalism is a growing movement – but what exactly is it? And why is it vital? Leah Thomas aka Intersectional Environmentalist joins TEDxLondon's Climate Curious to share the ways in which identity, race, class and gender impacts everyone's experience with the natural world around you. (Copied from the site)
- [10 Minutes to Save the Planet](#)  
A CBC podcast. Co-hosts meteorologist and climate reporter Johanna Wagstaffe and broadcaster Rohit Joseph work through the UN's 10 actions for a healthy planet, but in a way that won't shame, overwhelm or bore you. Think of each episode as a bite-size guide to fight climate change, rooted in behavioural therapy.
- [Best of 2022 Decarbonization Podcasts by Clean Energy Transition Institute \(US\)](#)  
Recommended podcasts fall within a variety of categories:
  - Building Decarbonization
  - Industrial Decarbonization
  - Batteries
  - Transmission and the Grid
  - Energy Transition Opportunities & Challenges
- [Stories of Decarbonization Podcast \(2020\)](#)

## Infographics

- [Visual Capitalist](#) can help faculty and students examine global trends and environmental issues.
- [Visual Capitalist - Green Archives](#) for sustainability related resources.
  - [Air Pollution Levels around the World](#)
  - [The World's Largest Steel Producing Nations](#)
  - [Ranked - The 20 Most Air-Polluted Cities on Earth](#)
