

New Program Advisory Committee resources site

Published 2/13/2024 by [Joanna Crabtree](#)

The [PAC Resources](#) site is intended to be a comprehensive guide to supporting PACs at Seneca Polytechnic. It includes best practices, procedures and resources for administering PACs successfully and ensuring compliance with Seneca's [PAC Policy](#) and [Terms of Reference](#).

Resources available will be refreshed as needed and suggestions are welcome.
Email pac@senecapolytechnic.ca with your feedback or any questions.
