

The results of the 2024 Winter Challenge are in!

Published 3/7/2024 by [Caterina Ventrella](#)

Throughout We Love Our Students Month 2024, Seneca Students and Employees accepted the Winter Challenge to raise much-needed funds for Seneca student financial aid. Each challenger pledged to either take the Polar Bear Dip or Ice Bucket Challenge to show just how much we love our students!

On Wednesday, March 6, 2024, the Polar Bear Dip went live from Newnham campus and all challengers gathered to celebrate their hard work having raised more than \$12,400 as a group while Sammy Sting dunked the Polar Bear dippers in their final challenge.

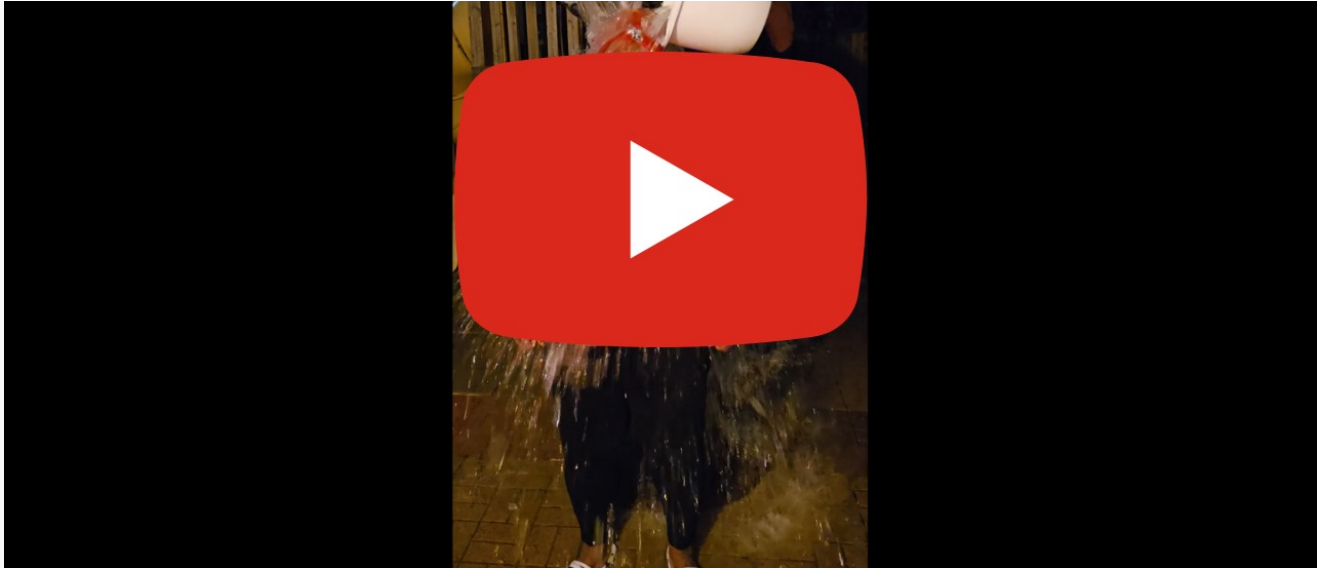

[Donations](#) to the Winter Challengers are still being accepted. All proceeds go to the [Campaign for Students](#) Endowed Bursary.
