Mark your calendars and get ready for Teaching & Learning Day Spring 2024 – a one-day conference that will take place on Tuesday, Apr. 30 at Seneca's King Campus.

The theme of this conference is: "**Elevate, Empower, Excel: Celebrating Faculty Success Stories**" and will be a chance for Seneca faculty to share their perspectives, experiences, and practices for teaching and learning. The conference will serve as a dynamic and interactive platform to empower all Seneca faculty, and to celebrate the diverse achievements and innovative contributions of faculty members across Seneca.

A [Call for Proposals](#) is now open and submissions are being solicited for 45-minute workshops, roundtable presentations, and panel discussions.
