

The 2023-24 Campaign for Students results are in!

Published 4/3/2024 by [Caterina Ventrella](#)

After an extraordinary year of the Seneca community coming together to invest in our students' future, we are thrilled to announce the **2023-24 Campaign for Students has been a resounding success, raising a remarkable \$391,473**. This achievement was made possible by the generous contributions of our employees and the various fundraising events organized over the year.

Our deepest appreciation to every donor, volunteer, and event participant. Your commitment is the foundation of our campaign's success. Please enjoy the highlight video below, showcasing the collective efforts of our staff in supporting this year's Campaign for Students:

We extend a special thanks to the Seneca Student Federation (SSF) for their exceptional generosity and dedication to our shared mission of supporting our students.

To each person who contributed, volunteered, or participated in any way, we offer our heartfelt **THANK YOU**. Your dedication to supporting our students is the essence of our work.
