Generative AI Policy

Seneca's [policy on Generative AI](#) provides details on key definitions, data and IT security, copyright, legal and reputation risks, third party risks, obligations of GenAI use, unacceptable uses of GenAI, and non-compliance. Be sure to familiarize yourself with the policy so that you can ensure you are using GenAI in an acceptable manner at Seneca.

Academic Integrity Policy

Many student questions are centered around what constitutes an academic integrity violation when using GenAI applications. In order to address these questions be sure to familiarize yourself with the [academic integrity policy](#) at Seneca.

If you have any questions or concerns, please do not hesitate to reach out to us at teaching@senecapolytechnic.ca
