

Teaching and Learning Podcast: Beyond the Classroom

Published 10/2/2024 by **Iman Hajihassani**

Beyond the Classroom is a new podcast series from Teaching and Learning! Each month, we sit down with faculty members to discuss their latest projects, what they've been up to, and their perspectives on teaching and learning in general.

Tune in for insightful conversations, whether you're watching the video version or listening to the audio.

Seneca POLYTECHNIC | TEACHING & LEARNING CENTRE

Episode 1: Strategies for connecting with students, Universal Design for Learning (UDL), and cosmetic sciences with **Sonal Kamath**.

Episode 2: Redefining Passion – Kerri's Transition from Law to Education with **Kerri Knudsen**

Building Community: **Akeisha Lari** on Reconciliation, Inclusion, and Empowering Student Voices

Amplifying Creativity: **Alfio Zappacosta** on Music, Mentorship, and Inclusive Education

#4

AMPLIFYING CREATIVITY

WITH ALFIO ANNIBALINI
