Overview

This reflection provides an opportunity to pause and revisit the highlights, rewards, and experiences of your teaching journey this year. You are encouraged to consider your growth as an educator by exploring questions aligned with Seneca's [Standards of Practice](#) for faculty. The guiding questions below are designed to inspire thoughtful reflection on your classroom experiences, helping you recognize your strengths and how you might build on them in the future.

You are encouraged to complete the reflective activity below to help prepare for your annual Faculty-Chair conversation. During this meeting you will have the opportunity to share examples of how the [Standards of Practice](#) inform your teaching. As you reflect on these prompts, you may wish to record your thoughts using the [Teaching Reflection template](#) or in a form of your choice.
