Seneca Polytechnic is pleased to announce the call for grant applications to adapt existing open educational resources (OERs). For this round of applications, we are awarding **OER Adaptation grants** to two successful recipients.

Adaptation grants are provided in the form of funds as follows:

- May-June 2025 (7 weeks): one course release for full-time faculty, and 12 hours/week for non-full-time faculty.
- Fall 2025 (14 weeks): one course release for full-time faculty, and 6 hours/week for non-full-time faculty.

Grants will be provided to applicants with a strong rationale, a clear demonstration of need, and evidence of support for final adoption.

**Application Deadline:** the original deadline has been extended; applications are now due by **March 14, 2025 at 5 p.m. Eastern.**
