Introducing an exclusive offer for Seneca's international agency partners.

Recent graduates can stay in Canada after their post-graduation work permits expire by earning another credential at Seneca.

Up to \$6,000 in scholarships available

Students who enrol at Seneca by December 31, 2025 will receive a bonus scholarship of \$1,000 – in addition to Seneca's [entrance scholarship of up to \\$5,000](#).

This is a great opportunity for students to boost their resumes, expand permanent residence opportunities and continue working part time.

To be eligible, students must:

- hold a valid Post Graduation Work Permit (PGWP) that will expire during the 2025 calendar year
- pay international tuition fees

This offer is valid for select full-time postsecondary programs that start in May 2025, September 2025 or January 2026. (See the complete list of eligible programs below.)

Students can apply for this opportunity by:

1. Submitting an application to Seneca
2. Completing a MS-Form ([click here](#)) that will require them to include:
 1. student ID, name, program start term, and Seneca email address
 2. a copy of PGWP document (expiring in 2025)
3. Confirming Seneca's offer between February 17 and December 31, 2025

4. Paying the \$2,000 tuition deposit to confirm program seat
5. Applying to the Government of Canada for a study permit

Each submission will be reviewed by Seneca, and qualifying students will receive the scholarship in their student account after Day 10 of their first term.

Students must provide a Social Insurance Number (S.I.N.) or International Tax Number (ITN) on Student Home to receive the scholarship.
