Published 3/3/2025 by [Anonymous](#)

Last week, we had an incredible celebration at Meridian Hall for our amazing Seneca Polytechnic graduates! 🎉 It was such a fantastic event that showcased the hard work and dedication of our students. A huge shoutout to everyone who was part of the platform party and those who helped make the day run so smoothly.

If you missed it, don't worry—there will be more opportunities in the future to join the platform party and be part of the celebration!

We're so proud of all our graduates and their incredible achievements. The Seneca community has been cheering them on every step of the way, and we're so grateful for everything you do to support our students and help them reach this milestone.

Here is an amazing moment captured during the event with the ITAS team!
