

Summer 2025- SCPA Open House

Published 4/14/2025 by [Anonymous](#)

The energy, excitement, and enthusiasm at our recent Open House were truly inspiring. It was a day filled with meaningful connections, insightful conversations, and a vibrant showcase of what makes our **SCPA** program so special. None of this would have been possible without the dedication and hard work of our incredible **Program Coordinators, Student Advisers, WIL Coordinators, Student Volunteers and Administrative Team.**

From warmly welcoming prospective students and families to sharing their expertise with passion, each of you played a crucial role in creating an engaging and informative experience. Your commitment to education and support continues to shape the future of our students in invaluable ways.

A heartfelt thank you to everyone who contributed to making the Open House a success. Your efforts were truly appreciated, and your dedication does not go unnoticed.

We look forward to coming together again at the next Open House, ready to create another memorable experience!
