The cyber security field is one of the fastest-growing career paths, offering exciting challenges and opportunities to make a real impact. Are you ready to put your skills to the test, protect others from cyber threats and explore a future in this critical industry?

The Government of Ontario's Cyber Security Centre of Excellence is excited to host the Unleashing Cyber Champions: Capture the Flag Event on **Wednesday, October 8, 2025**, from **9:30 AM to 3:30 PM** at the **Marriott Downtown at CF Eaton Centre, 525 Bay St, Toronto, ON**.

This free, in-person event is open to post-secondary students with a technical background in cyber security, computer science or related programs.

What's in it for you:

- Put your technical knowledge to the test through real-world challenges that reflect industry scenarios.
- Participate in a dynamic blue-team, jeopardy-style challenge to sharpen your threat-hunting and incident response skills.
- Team up with like-minded peers to tackle problems creatively and develop new solutions.
- Gain visibility with industry experts, expand your network and showcase your abilities.
